Eastside Genealogy Society presents

Diligence Online: Keep Looking Everywhere

Our speaker is **Cyndi Ingle (of Cyndi's List)**

April 9, 2019 at 7:00

At the Bellevue Regional Library, room 1
1111 110th Ave NE, Bellevue

About our program: The internet is piecemeal. It isn't clean and neat and tidy with everything in its place. Cyndi will guide us through the process of searching across multiple repositories and collections. She will point out aids and describe how to find the origins of the record offline.

About our speaker: Cyndi Ingle is the creator of Cyndi's List, a categorized & cross-referenced index to genealogical resources on the Internet.

Cyndi's goal is to make it easy for all researchers to find online resources for their genealogical research. It's said that the Internet is like a library with its books strewn all over the floor. Cyndi would like her list to be the card-catalog for the genealogy section of that library. She hasn't been able to do anything serious with her own research since the website went online in March 1996!
