Via Zoom watch for the link

About our speaker: Mary Kircher Roddy, CG® is a professional genealogist and Certified Public Accountant in Seattle. She tackles genealogy research and education in the same logical way she'd approach an accounting problem. She has lectured nationally and internationally and written for numerous genealogical publications, including the *National Genealogical Society Quarterly*, *NGS Magazine*, *Family Chronicle Magazine* and *Internet Genealogy*, as well as society publications across the US. She currently serves as APG Treasurer..

About our program: Before the transcontinental railroad was completed Easterners and Mid-Westerners began to settle the West. How did they get there and what was the journey like? Presentation covers overland and water routes with descriptions of the journey and using clues to discover how and when your ancestor traveled.
