Eastside Genealogical Society presents:

Who Hid the Body? Finding Your Ancestor's Place of Burial

Our speaker: Elizabeth Williams Gomoll, CG

Thursday, June 13, 2024

Virtual doors will open at 6:30 pm Pacific; the program will start at 7:00 pm
Via Zoom---watch for the link*

About our speaker: Inspired by the television mini-series *Roots*, Elizabeth Williams Gomoll began researching her family in 1977. She expanded her research to her friends' families and began attending workshops, conferences, and institutes. She earned her Certified Genealogist credential from the Board for Certification of Genealogists. Liz is a popular presenter for Legacy Family Tree Webinars, co-editor of *Minnesota Genealogist*, President of the Association for Professional Genealogists Northland Chapter, and has served on numerous boards and committees.

About our program: It's not over 'til the fat lady sings? Nope. It's not over until you find where the big girl was buried. This presentation offers examples of records that can lead genealogists to an ancestor's elusive final resting place.

Everyone is welcome---we hope you will join us.
